61M Engagements to which Chapter applies

- (1) Sections [61N](#) to [61R](#) apply where—
- (a) an individual (“the worker”) personally performs, or is under an obligation personally to perform, services for another person (“the client”),
 - (b) the client is a public authority,

Status: This is the original version (as it was originally enacted). This item of legislation is currently only available in its original format.

- (c) the services are provided not under a contract directly between the client and the worker but under arrangements involving a third party (“the intermediary”), and
 - (d) the circumstances are such that—
 - (i) if the services were provided under a contract directly between the client and the worker, the worker would be regarded for income tax purposes as an employee of the client or the holder of an office under the client, or
 - (ii) the worker is an office-holder who holds that office under the client and the services relate to the office.
- (2) The reference in subsection (1)(c) to a “third party” includes a partnership or unincorporated association of which the worker is a member.
- (3) The circumstances referred to in subsection (1)(d) include the terms on which the services are provided, having regard to the terms of the contracts forming part of the arrangements under which the services are provided.
- (4) Holding office as statutory auditor of the client does not count as holding office under the client for the purposes of subsection (1)(d), and here “statutory auditor” means a statutory auditor within the meaning of Part 42 of the Companies Act 2006 (see section 1210 of that Act).
- (5) In this Chapter “engagement to which this Chapter applies” means any such provision of services as is mentioned in subsection (1).

61N Worker treated as receiving earnings from employment

- (1) If one of Conditions A to C is met, identify the chain of two or more persons where—
- (a) the highest person in the chain is the client,
 - (b) the lowest person in the chain is the intermediary, and
 - (c) each person in the chain above the lowest makes a chain payment to the person immediately below them in the chain.

(See section 61U for cases where one of Conditions A to C is treated as being met.)

- (2) In this section and sections 61O to 61S—
- “chain payment” means a payment, or money’s worth or any other benefit, that can reasonably be taken to be for the worker’s services to the client,
- “make”—
- (a) in relation to a chain payment that is money’s worth, means transfer, and
 - (b) in relation to a chain payment that is a benefit other than a payment or money’s worth, means provide, and
- “the fee-payer” means the person in the chain immediately above the lowest.
- (3) The fee-payer is treated as making to the worker, and the worker is treated as receiving, a payment which is to be treated as earnings from an employment

Status: This is the original version (as it was originally enacted). This item of legislation is currently only available in its original format.

- (“the deemed direct payment”), but this is subject to subsections (5) to (7) and sections 61T and 61V.
- (4) The deemed direct payment is treated as made at the same time as the chain payment made by the fee-payer.
- (5) Subsections (6) and (7) apply, subject to sections 61T and 61V, if the fee-payer—
- (a) is not the client, and
 - (b) is not a qualifying person.
- (6) If there is no person in the chain below the highest and above the lowest who is a qualifying person, subsections (3) and (4) have effect as if for any reference to the fee-payer there were substituted a reference to the client.
- (7) Otherwise, subsections (3) and (4) have effect as if for any reference to the fee-payer there were substituted a reference to the person in the chain who—
- (a) is above the lowest,
 - (b) is a qualifying person, and
 - (c) is lower in the chain than any other person in the chain who—
 - (i) is above the lowest, and
 - (ii) is a qualifying person.
- (8) In subsections (5) to (7) a “qualifying person” is a person who—
- (a) is resident in the United Kingdom or has a place of business in the United Kingdom,
 - (b) is not a person who is controlled by—
 - (i) the worker, alone or with one or more associates of the worker, or
 - (ii) an associate of the worker, with or without other associates of the worker, and
 - (c) if a company, is not one in which—
 - (i) the worker, alone or with one or more associates of the worker, or
 - (ii) an associate of the worker, with or without other associates of the worker,has a material interest (within the meaning given by section 51(4) and (5)).
- (9) Condition A is that—
- (a) the intermediary is a company, and
 - (b) the conditions in section 61O are met in relation to the intermediary.
- (10) Condition B is that—
- (a) the intermediary is a partnership,
 - (b) the worker is a member of the partnership,
 - (c) the provision of the services is by the worker as a member of the partnership, and
 - (d) the condition in section 61P is met in relation to the intermediary.
- (11) Condition C is that the intermediary is an individual.

Status: This is the original version (as it was originally enacted). This item of legislation is currently only available in its original format.

- (12) Where a payment, money’s worth or any other benefit can reasonably be taken to be for both—
- (a) the worker’s services to the client, and
 - (b) anything else,
- then, for the purposes of this Chapter, so much of it as can, on a just and reasonable apportionment, be taken to be for the worker’s services is to be treated as (and the rest is to be treated as not being) a payment, or money’s worth or another benefit, that can reasonably be taken to be for the worker’s services.

61O Conditions where intermediary is a company

- (1) The conditions mentioned in section 61N(9)(b) are that—
- (a) the intermediary is not an associated company of the client that falls within subsection (2), and
 - (b) the worker has a material interest in the intermediary.
- (2) An associated company of the client falls within this subsection if it is such a company by reason of the intermediary and the client being under the control—
- (a) of the worker, or
 - (b) of the worker and other persons.
- (3) The worker is treated as having a material interest in the intermediary if—
- (a) the worker, alone or with one or more associates of the worker, or
 - (b) an associate of the worker, with or without other associates of the worker,
- has a material interest in the intermediary.
- (4) For this purpose “material interest” has the meaning given by section 51(4) and (5).
- (5) In this section “associated company” has the meaning given by section 449 of CTA 2010.

61P Conditions where intermediary is a partnership

- (1) The condition mentioned in section 61N(10)(d) is—
- (a) that the worker, alone or with one or more relatives, is entitled to 60% or more of the profits of the partnership, or
 - (b) that most of the profits of the partnership derive from the provision of services under engagements to which one or other of this Chapter and Chapter 8 applies—
 - (i) to a single client, or
 - (ii) to a single client together with associates of that client, or
 - (c) that under the profit sharing arrangements the income of any of the partners is based on the amount of income generated by that partner by the provision of services under engagements to which one or other of this Chapter and Chapter 8 applies.

Status: This is the original version (as it was originally enacted). This item of legislation is currently only available in its original format.

- (2) In subsection (1)(a) “relative” means spouse or civil partner, parent or child or remoter relation in the direct line, or brother or sister.
- (3) Section 61(4) and (5) apply for the purposes of this section as they apply for the purposes of Chapter 8.

61Q Calculation of deemed direct payment

- (1) The amount of the deemed direct payment is the amount resulting from the following steps—

Step 1

Identify the amount or value of the chain payment made by the person who is treated as making the deemed direct payment, and deduct from that amount so much of it (if any) as is in respect of value added tax.

Step 2

Deduct, from the amount resulting from Step 1, so much of that amount as represents the direct cost to the intermediary of materials used, or to be used, in the performance of the services.

Step 3

Deduct, at the option of the person treated as making the deemed direct payment, from the amount resulting from Step 2, so much of that amount as represents expenses met by the intermediary that would have been deductible from the taxable earnings from the employment if—

- (a) the worker had been employed by the client, and
- (b) the expenses had been met by the worker out of those earnings.

Step 4

If the amount resulting from the preceding Steps is nil or negative, there is no deemed direct payment. Otherwise, that amount is the amount of the deemed direct payment.

- (2) For the purposes of Step 1 of subsection (1), any part of the amount or value of the chain payment which is employment income of the worker by virtue of section 863G(4) of ITTOIA 2005 (salaried members of limited liability partnerships: anti-avoidance) is to be ignored.
- (3) In subsection (1), the reference to the amount or value of the chain payment means the amount or value of that payment before the deduction (if any) permitted under section 61S.
- (4) If the actual amount or value of the chain payment mentioned in Step 1 of subsection (1) is such that its recipient bears the cost of amounts due under PAYE regulations or contributions regulations in respect of the deemed direct payment, that Step applies as if the amount or value of that chain payment were what it would be if the burden of that cost were not being passed on through the setting of the level of the payment.
- (5) In Step 3 of subsection (1), the reference to expenses met by the intermediary includes—
 - (a) expenses met by the worker and reimbursed by the intermediary, and

Status: This is the original version (as it was originally enacted). This item of legislation is currently only available in its original format.

- (b) where the intermediary is a partnership and the worker is a member of the partnership, expenses met by the worker for and on behalf of the partnership.
- (6) In subsection (4) “contributions regulations” means regulations under the Contributions and Benefits Act providing for primary Class 1 contributions to be paid in a similar manner to income tax in relation to which PAYE regulations have effect (see, in particular, paragraph 6(1) of Schedule 1 to the Act); and here “primary Class 1 contribution” means a primary Class 1 contribution within the meaning of Part 1 of the Contributions and Benefits Act.

61R Application of Income Tax Acts in relation to deemed employment

- (1) The Income Tax Acts (in particular, Part 11 and PAYE regulations) apply in relation to the deemed direct payment as follows.
- (2) They apply as if—
 - (a) the worker were employed by the person treated as making the deemed direct payment, and
 - (b) the services were performed, or to be performed, by the worker in the course of performing the duties of that employment.
- (3) The deemed direct payment is treated in particular—
 - (a) as taxable earnings from the employment for the purpose of securing that any deductions under Chapters 2 to 6 of Part 5 do not exceed the deemed direct payment, and
 - (b) as taxable earnings from the employment for the purposes of section 232.
- (4) The worker is not chargeable to tax in respect of the deemed direct payment if, or to the extent that, by reason of any combination of the factors mentioned in subsection (5), the worker would not be chargeable to tax if—
 - (a) the client employed the worker,
 - (b) the worker performed the services in the course of that employment, and
 - (c) the deemed direct payment were a payment by the client of earnings from that employment.
- (5) The factors are—
 - (a) the worker being resident or domiciled outside the United Kingdom or meeting the requirement of section 26A,
 - (b) the client being resident outside, or not resident in, the United Kingdom, and
 - (c) the services being provided outside the United Kingdom.
- (6) Where the intermediary is a partnership or unincorporated association, the deemed direct payment is treated as received by the worker in the worker’s personal capacity and not as income of the partnership or association.
- (7) Where—
 - (a) the client is the person treated as making the deemed direct payment,
 - (b) the worker is resident in the United Kingdom,

Status: This is the original version (as it was originally enacted). This item of legislation is currently only available in its original format.

- (c) the services are provided in the United Kingdom,
 - (d) the client is not resident in the United Kingdom, and
 - (e) the client does not have a place of business in the United Kingdom,
- the client is treated as resident in the United Kingdom.

61S Deductions from chain payments

- (1) This section applies if, as a result of section 61R, a person who is treated as making a deemed direct payment is required under PAYE Regulations to pay an amount to the Commissioners for Her Majesty’s Revenue and Customs (“the Commissioners”) in respect of the payment.

(But see subsection (4)).

- (2) The person may deduct from the underlying chain payment an amount which is equal to the amount payable to the Commissioners, but where the amount or value of the underlying chain payment is treated by section 61Q(4) as increased by the cost of any amount due under PAYE Regulations, the amount that may be deducted is limited to the difference (if any) between the amount payable to the Commissioners and the amount of that increase.
- (3) Where a person in the chain other than the intermediary receives a chain payment from which an amount has been deducted in reliance on subsection (2) or this subsection, that person may deduct the same amount from the chain payment made by them.
- (4) This section does not apply in a case to which 61V(2) applies (services-provider treated as making deemed direct payment).
- (5) In subsection (2) “the underlying chain payment” means the chain payment whose amount is used at Step 1 of section 61Q(1) as the starting point for calculating the amount of the deemed direct payment.

61T Information to be provided by clients and consequences of failure

- (1) If the conditions in section 61M(1)(a) to (c) are met in any case, and a person as part of the arrangements mentioned in section 61M(1)(c) enters into a contract with the client, the client must inform that person (in the contract or otherwise) of which one of the following is applicable—
- (a) the client has concluded that the condition in section 61M(1)(d) is met in the case;
 - (b) the client has concluded that the condition in section 61M(1)(d) is not met in the case.
- (2) If the contract is entered into on or after 6 April 2017, the duty under subsection (1) must be complied with—
- (a) on or before the time of entry into the contract, or
 - (b) if the services begin to be performed at a later time, before that later time.
- (3) If the contract is entered into before 6 April 2017, the duty under subsection (1) must be complied with on or before the date of the first payment made under the contract on or after 6 April 2017.

Status: This is the original version (as it was originally enacted). This item of legislation is currently only available in its original format.

- (4) If the information which subsection (1) requires the client to give to a person has been given (whether in the contract, as required by subsection (2) or (3) or otherwise), the client must, on a written request by the person, provide the person with a written response to any questions raised by the person about the client’s reasons for reaching the conclusion identified in the information.
- (5) A response required by subsection (4) must be provided before the end of 31 days beginning with the day the request for it is received by the client.
- (6) If—
 - (a) the client fails to comply with the duty under subsection (1) within the time allowed by subsection (2) or (3),
 - (b) the client fails to provide a response required by subsection (4) within the time allowed by subsection (5), or
 - (c) the client complies with the duty under subsection (1) but fails to take reasonable care in coming to its conclusion as to whether the condition in section 61M(1)(d) is met in the case,
 section 61N(3) and (4) have effect in the case as if for any reference to the fee-payer there were substituted a reference to the client, but this is subject to section 61V.

61U Information to be provided by worker and consequences of failure

- (1) In the case of an engagement to which this Chapter applies, the worker must inform the potential deemed employer of which one of the following is applicable—
 - (a) that one of conditions A to C in section 61N is met in the case;
 - (b) that none of conditions A to C in section 61N is met in the case.
- (2) If the worker has not complied with subsection (1) then, for the purposes of section 61N(1), one of conditions A to C in section 61N is to be treated as met.
- (3) In this section “the potential deemed employer” is the person who, if one of conditions A to C in section 61N were met, would be treated as making a deemed direct payment to the worker under section 61N(3).

61V Consequences of providing fraudulent information

- (1) Subsection (2) applies if in any case—
 - (a) a person (“the deemed employer”) would, but for this section, be treated by section 61N(3) as making a payment to another person (“the services-provider”), and
 - (b) the fraudulent documentation condition is met.
- (2) Section 61N(3) has effect in the case as if the reference to the fee-payer were a reference to the services-provider, but—
 - (a) section 61N(4) continues to have effect as if the reference to the fee-payer were a reference to the deemed employer, and
 - (b) Step 1 of section 61Q(1) continues to have effect as referring to the chain payment made by the deemed employer.

Status: This is the original version (as it was originally enacted). This item of legislation is currently only available in its original format.

- (3) Subsection (2) has effect even though that involves the services-provider being treated as both employer and employee in relation to the deemed employment under section 61N(3).
- (4) “The fraudulent documentation condition” is that a relevant person provided any person with a fraudulent document intended to constitute evidence—
 - (a) that the case is not an engagement to which this Chapter applies, or
 - (b) that none of conditions A to C in section 61N is met in the case.
- (5) A “relevant person” is—
 - (a) the services-provider;
 - (b) a person connected with the services-provider;
 - (c) if the intermediary in the case is a company, an office-holder in that company.

61W Prevention of double charge to tax and allowance of certain deductions

- (1) Subsection (2) applies where—
 - (a) a person (“the payee”) receives a payment or benefit (“the end-of-line remuneration”) from another person (“the paying intermediary”),
 - (b) the end-of-line remuneration can reasonably be taken to represent remuneration for services of the payee to a public authority,
 - (c) a payment (“the deemed payment”) has been treated by section 61N(3) as made to the payee,
 - (d) the underlying chain payment can reasonably be taken to be for the same services of the payee to that public authority, and
 - (e) the recipient of the underlying chain payment has (whether by deduction from that payment or otherwise) borne the cost of any amounts due, under PAYE regulations and contributions regulations in respect of the deemed payment, from the person treated by section 61N(3) as making the deemed payment.
- (2) For income tax purposes, the paying intermediary and the payee may treat the amount of the end-of-line remuneration as reduced (but not below nil) by any one or more of the following—
 - (a) the amount (see section 61Q) of the deemed payment;
 - (b) the amount of any capital allowances in respect of expenditure incurred by the paying intermediary that could have been deducted from employment income under section 262 of CAA 2001 if the payee had been employed by the public authority and had incurred the expenditure;
 - (c) the amount of any contributions made, in the same tax year as the end-of-line remuneration, for the benefit of the payee by the paying intermediary to a registered pension scheme that if made by an employer for the benefit of an employee would not be chargeable to income tax as income of the employee.
- (3) Subsection (2)(c) does not apply to—
 - (a) excess contributions paid and later repaid,

Status: This is the original version (as it was originally enacted). This item of legislation is currently only available in its original format.

- (b) contributions set under subsection (2) against another payment by the paying intermediary, or
 - (c) contributions deductible at Step 5 of section 54(1) in calculating the amount of the payment (if any) treated by section 50 as made in the tax year concerned by the paying intermediary to the payee.
- (4) For the purposes of subsection (3)(c), the contributions to which Step 5 of section 54(1) applies in the case of the particular calculation are “deductible” at that Step so far as their amount does not exceed the result after Step 4 in that calculation.
- (5) In subsection (1)(d) “the underlying chain payment” means the chain payment whose amount is used at Step 1 of section 61Q(1) as the starting point for calculating the amount of the deemed payment.
- (6) Subsection (2) applies whether the end-of-line remuneration—
- (a) is earnings of the payee,
 - (b) is a distribution of the paying intermediary, or
 - (c) takes some other form.

61X Interpretation

In this Chapter—

“associate” has the meaning given by section 60;

“company” means a body corporate or unincorporated association, and does not include a partnership;

“engagement to which Chapter 8 applies” has the meaning given by section 49(5).”

PART 3

 - (c) the employment intermediary is not a managed service company.

Status: This is the original version (as it was originally enacted). This item of legislation is currently only available in its original format.

- (6B) This section does not apply in relation to an engagement if—
- (a) sections 61N to 61R in Chapter 10 of Part 2 do not apply in relation to the engagement because the circumstances in section 61M(1)(d) are not met,
 - (b) assuming those circumstances were met, one of Conditions A to C in section 61N would be met in relation to the employment intermediary, and
 - (c) the employment intermediary is not a managed service company.
- (6C) In determining for the purposes of subsection (6A) or (6B) whether one of Conditions A to C in section 61N is or would be met in relation to the employment intermediary, read references to the intermediary as references to the employment intermediary.”

“Worker’s services provided to public sector through intermediary

164B Intermediaries providing worker’s services to public sector

- (3) In this section “underlying chain payment” means the payment whose amount is used at Step 1 of section 61Q(1) of ITEPA 2003 as the starting point for calculating the amount of the deemed direct payment mentioned in subsection (1)(b).”

- 14 In Chapter 9 of Part 3 of CTA 2009 (trade profits: specific trades), after section 141 insert—

“Worker’s services provided to public sector through intermediary

- (1) This section applies for the purposes of calculating the trading profits of a person where—
- (a) the person is the intermediary in a chain identified under section 61N of ITEPA 2003 (see section 61N(1)(b)),

Status: This is the original version (as it was originally enacted). This item of legislation is currently only available in its original format.

- (b) a deemed direct payment is treated as made under subsection (3) of that section, and
 - (c) the person receives a payment which can reasonably be taken to be in respect of the same services as those in respect of which the underlying chain payment is made.
- (2) The payment mentioned in subsection (1)(c) is not required to be brought into account in calculating the profits of the trade.
- (3) In this section “underlying chain payment” means the payment whose amount is used at Step 1 of section 61Q(1) of ITEPA 2003 as the starting point for calculating the amount of the deemed direct payment mentioned in subsection (1)(b).”

Optional remuneration arrangements

- 1 In Part 3 of ITEPA 2003 (employment income: earnings and benefits etc treated as earnings), in Chapter 2 (taxable benefits: the benefits code), after section 69 insert—

“69A Optional remuneration arrangements

- (1) Subsections (2) to (7) have effect for the purposes of the benefits code.
- (2) A benefit provided for an employee is provided under “optional remuneration arrangements” so far as it is provided under arrangements of type A or B (regardless of whether those arrangements are made before or after the beginning of the person’s employment).
- (3) “Type A arrangements” are arrangements under which, in return for the benefit, the employee gives up the right (or a future right) to receive an amount of earnings within Chapter 1 of Part 3.

Status: This is the original version (as it was originally enacted). This item of legislation is currently only available in its original format.

- (4) “Type B arrangements” are arrangements (other than type A arrangements) under which the employee agrees to be provided with the benefit rather than an amount of earnings within Chapter 1 of Part 3.
- (5) A benefit provided for an employee is to be regarded as provided under optional remuneration arrangements (whether of type A or type B) so far as it is just and reasonable to attribute the provision of the benefit to the arrangements in question.
- (6) Where a benefit is provided for an employee under any arrangements, the mere fact that under the arrangements the employee makes good, or is required to make good, any part of the cost of provision is not to be taken to show that the benefit is (to any extent) provided otherwise than under optional remuneration arrangements.
- (7) Where a benefit is provided for an employee partly under optional remuneration arrangements and partly otherwise than under such arrangements, the benefits code is to apply with any modifications (including provision for just and reasonable apportionments) that may be required for ensuring that the benefit is treated—
- (a) in accordance with the relevant provision in the column 2 of the table so far as it is provided under optional remuneration arrangements, and
 - (b) in accordance with the relevant provision in column 1 of the table so far as it is provided otherwise than under such arrangements.

- (1) For the purposes of the benefits code “the amount foregone”—
- (a) in relation to a benefit provided for an employee under type A arrangements means the amount of earnings mentioned in section 69A(3);

Status: This is the original version (as it was originally enacted). This item of legislation is currently only available in its original format.

- (b) in relation to a benefit provided for an employee under type B arrangements means the amount of earnings mentioned in section 69A(4);
 - (c) in relation to a benefit provided for an employee partly under type A arrangements and partly under type B arrangements, means the sum of the amounts foregone under the arrangements of each type.

- (3) The apportionment is to be made on a just and reasonable basis.
- (4) In this section and section 69A references to a benefit provided for an employee include a benefit provided for a member of an employee's family or household.
- (5) In this section and section 69A—
- “benefit” includes any benefit or facility, regardless of its form and the manner of providing it;
 - “earnings” means earnings within Chapter 1 of Part 3 (and includes a reference to amounts which would have been such earnings if the employee had received them).”

Benefits in kind: amount treated as earnings

- 2 Part 3 of ITEPA 2003 (employment income: earnings and benefits in kind etc treated as earnings) is amended as follows.
- 3 (1) Section 81 (benefit of cash voucher treated as earnings) is amended as follows.
- (2) After subsection (1) insert—

- (b) as to the matters to be taken into account in determining whether the benefit accrual condition is met;
- (c) for a superannuation fund to be treated to any extent as meeting or not meeting the benefit accrual condition.

(6G) Provision under subsection (6D) or (6F) may be made by amending this section.”

(4) In subsection (7)—

- (a) for “In this section—” substitute “For the purposes of this section—
“arrangement”, in relation to a member of a superannuation fund, means an arrangement relating to the member under the fund;
a money purchase arrangement relating to a member of a superannuation fund is a “cash balance arrangement” at any time if, at that time, all the benefits that may be provided to or in respect of the member under the arrangement are cash balance benefits;
an arrangement relating to a member of a superannuation fund is a “defined benefits arrangement” at any time if, at that time, all the benefits that may be provided to or in respect of the member under the arrangement are defined benefits;
an arrangement relating to a member of a superannuation fund is a “money purchase arrangement” at any time if, at that time, all the benefits that may be provided to or in respect of the member under the arrangement are money purchase benefits;
“cash balance benefits”, “defined benefits” and “money purchase benefits” have the meaning given by section 152 of the Finance Act 2004, but for this purpose reading references in that section to a pension scheme as references to a superannuation fund;
“member”, in relation to a superannuation fund, has the meaning given by section 151 of the Finance Act 2004, but for this purpose reading references in that section to a pension scheme as references to a superannuation fund.”;

 - (b) any disqualifying increase in the value of a person’s rights under an arrangement relating to a member of the actual fund is treated for the purposes of the Income Tax Acts as instead being an increase under an arrangement relating to the member under the shadow fund for the actual fund, and

(12) For the purposes of subsection (11) a contribution, or an increase in the value of any rights, is “disqualifying” if it would (ignoring that subsection) cause the benefit accrual condition not to be met in the case of the actual fund.

(13) For the purposes of the provisions of this section relating to the benefit accrual condition, where there is a recognised transfer—

- (a) any transfer of sums or assets to the recipient fund by the recognised transfer is to be categorised as not being “a contribution” to the recipient fund, and
- (b) any increase in the value of rights under the recipient fund that occurs at the time of the recognised transfer is to be treated as not being an increase in that value if the increase is solely a result of the transfer effected by the recognised transfer.

(14) For the purposes of subsection (13), where there is a transfer such that sums or assets held for the purposes of, or representing accrued rights under, an arrangement relating to a member of a superannuation fund (“the transferor fund”) are transferred so as to become held for the purposes of, or to represent rights under, an arrangement relating to that person as a member of another superannuation fund, the transfer is a “recognised transfer” if—

- (a) the conditions in subsection (6)(a) to (c) are met in the case of each of the funds, and
- (b) none of the sums and assets transferred—
 - (i) represents any contribution treated as made under, or any increase in the value of any rights treated as an increase under, the shadow fund of the transferor fund or the shadow fund of any other superannuation fund, or
 - (ii) arises, or (directly or indirectly) derives, from anything within sub-paragraph (i) or this sub-paragraph.”

(6) The amendments made by this paragraph are to be treated as having come into force on 6 April 2017.

Step 3

If the lump sum is paid under an overseas pension scheme, deduct so much of the lump sum left after Step 2 as would, if the scheme were a registered pension scheme, not be liable to income tax under this Part.

- (a) treat amounts not included in taxable pension income because of section 636B(3) as being not liable to tax;
 - (b) assume that all or part of the member’s lifetime allowance is available.
- (4) The amount given by subsection (3) is treated for the purposes of section 575 as arising when the lump sum is paid.
- (5) The Commissioners may by regulations make provision (including provision amending this section) as to the assumptions to be made for the purposes of Step 3.

 - (c) “reckonable service” means service in respect of which the rights to receive the relevant amount accrued (whether or not service in the same employment or with the same employer, and even if the rights originally accrued under a different employer-financed retirement benefits scheme established in or outside the United Kingdom);

 - (e) “pre-6 April 2017 reckonable foreign service” means pre-6 April 2017 reckonable service that is foreign service;
 - (f) the deductible amount is the value immediately before 6 April 2017 of the rights then accrued to payment of so much of the relevant amount as is paid in respect of pre-6 April 2017 reckonable service if—
 - (i) at least 75% of pre-6 April 2017 reckonable service is made up of foreign service, or
 - (ii) the period of pre-6 April 2017 reckonable service exceeds 10 years and the whole of the last 10 years of that period is made up of foreign service, or
 - (iii) the period of pre-6 April 2017 reckonable service exceeds 20 years and at least 50% of that period, including any 10 of the last 20 years, is made up of foreign service;
 - (g) otherwise, the deductible amount is the appropriate fraction of the value immediately before 6 April 2017 of the rights then accrued to payment of so much of the relevant amount as is paid in respect of pre-6 April 2017 reckonable service;
 - (h) “the appropriate fraction” is given by—

Status: This is the original version (as it was originally enacted). This item of legislation is currently only available in its original format.

- (a) in the case of a recognised transfer made on 6 April in any year, the 5 years beginning with the date of the transfer,
 - (b) in the case of any other recognised transfer, the period consisting of the combination of—

244I Circumstances in which exclusions do not apply

- (1) Subsection (2) applies if a recognised transfer to a QROPS, or an onward transfer, would (but for this section) be excluded from the overseas transfer charge by any of sections 244B to 244F.

- (a) the scheme manager of any QROPS, or former QROPS, under which the member has, at the time of the event, ring-fenced transfer funds in which any of the sums and assets referred to in section 244K(6) in the case of the transfer are represented, and

- (6) If the transfer is one initially assumed to be excluded by section 244B or 244C but an event occurring before the end of the relevant period means that the transfer is not so excluded, the sums and assets mentioned in whichever of subsections (2) to (4) is applicable include only those that at the time of the event are represented in any of the member's ring-fenced transfer funds under any QROPS or former QROPS.
- (7) If the operator pays the charge on the transfer and does so—
- (a) otherwise than by deduction from the transfer, and
 - (b) out of sums and assets held for the purposes of, or representing accrued rights under, the scheme from which the transfer is made,
- the transferred value is the amount given by subsections (2) to (6) grossed up by reference to the rate specified in subsection (1).
- (8) If the operator pays the charge on the transfer and does so by deduction from the transfer, the transferred value is the amount given by subsections (2) to (6) before the deduction.

- (1) This section applies if—
- (a) overseas transfer charge arose on a transfer at the time the transfer was made, and
 - (b) at a time during the relevant period for the transfer, circumstances arise such that, had those circumstances existed at the time the transfer was made, the transfer would at the time it was made have been excluded from the charge by sections 244B to 244F or under section 244H.
- (2) Any amount paid in respect of charge on the transfer is to be repaid by the Commissioners for Her Majesty's Revenue and Customs so far as not already repaid.
- (3) Subsection (2) does not give rise to entitlement to repayment of, or cancellation of liabilities to, interest or penalties in respect of late payment of charge on the transfer.
- (4) Repayment under this section to the scheme administrator of a registered pension scheme, or the scheme manager of a QROPS or former QROPS, is conditional on prior compliance with any requirements to give information to the Commissioners, about the circumstances in which the right to the repayment arises, that are imposed on the prospective recipient under section 169 or 251 (but repayment is not conditional on compliance with any time limits so imposed for compliance with any such requirements).

- (3) The ground is that—
 - (a) the operator reasonably believed that there was no liability to the overseas transfer charge on the transfer concerned, and
 - (b) in all the circumstances of the case, it would not be just and reasonable for the operator to be liable to the charge on the transfer.
- (4) On receiving an application under subsection (2), an officer of Revenue and Customs must decide whether to discharge the operator’s liability.
- (5) An officer of Revenue and Customs must notify the operator of the decision on the application.

- (4) Chapter 2 does not apply by reason of the relevant step if, on its acquisition, the repayment sum is held by or on behalf of P on the same basis as that on which the repayment right was held by or on behalf of P immediately before the acquisition.
- (5) This section does not apply where there is any connection (direct or indirect) between the acquisition by or on behalf of P of the repayment sum and a tax avoidance arrangement (other than the arrangement under which the relevant loan was made).”

Exclusions: payments in respect of a tax liability

9 After section 554X insert—

“554XA Exclusions: payments in respect of a tax liability

- (1) Chapter 2 does not apply by reason of a relevant step which is the payment of a sum of money if—
 - (a) the payment is a relevant tax payment, or
 - (b) where the payment is not a relevant tax payment—
 - (i) the payment is made to a person for the purpose of the person making a relevant tax payment,
 - (ii) the person makes a relevant tax payment of an amount equal to the amount of the first payment, and
 - (iii) the relevant tax payment is made before the end of the period of 60 days beginning with the day on which the first payment is made.
- (2) “Relevant tax payment” means a payment made to Her Majesty’s Revenue and Customs in respect of a relevant liability for—
 - (a) income tax,
 - (b) national insurance contributions,
 - (c) inheritance tax, or
 - (d) corporation tax.
- (3) But a provisional payment of tax (see section 554Z11D) is not a relevant tax payment.
- (4) A liability is a “relevant liability” if—
 - (a) under the terms of an agreement for the discharge of the liability, or
 - (b) by way of a decision on an application under this section,
 an officer of Revenue and Customs agrees that the liability is to be treated as arising in respect of the relevant arrangement concerned.
- (5) A person may make an application to Her Majesty’s Revenue and Customs for a liability to be treated, for the purposes of this section, as arising in respect of the relevant arrangement concerned.
- (6) An application under this section must be made in such form and manner, and contain such information, as may be specified by, or on behalf of, the Commissioners for Her Majesty’s Revenue and Customs.
- (7) An officer of Revenue and Customs must notify the applicant of the decision on an application under this section.”

Double taxation

10 For section 554Z5 (overlap with earlier relevant step) substitute—

“554Z5 Overlap with money or asset subject to earlier tax liability

- (1) This section applies if there is overlap between—

Status: This is the original version (as it was originally enacted). This item of legislation is currently only available in its original format.

- (a) the sum of money or asset (“sum or asset P”) which is the subject of the relevant step, and
 - (b) a sum of money or asset (“sum or asset Q”) by reference to which, on an occasion that occurred before the relevant step is taken, A became subject to a liability for income tax (“the earlier tax liability”).
- (2) But this section does not apply where—
- (a) the earlier tax liability arose by reason of a step within section 554B taken in a tax year before 6 April 2011, and
 - (b) the value of the relevant step is (or if large enough would be) reduced under paragraph 59 of Schedule 2 to FA 2011.
- (3) Where either the payment condition or the liability condition is met, the value of the relevant step is reduced (but not below nil) by an amount equal to so much of the sum of money, or (as the case may be) the value of so much of the asset, as is within the overlap.
- (4) The payment condition is that, at the time the relevant step is taken—
- (a) the earlier tax liability has become due and payable, and
 - (b) either—
 - (i) it has been paid in full, or
 - (ii) the person liable for the earlier tax liability has agreed terms with an officer of Revenue and Customs for the discharge of that liability.
- (5) The liability condition is that, at the time the relevant step is taken, the earlier tax liability is not yet due and payable.
- (6) For the purposes of this section there is overlap between sum or asset P and sum or asset Q so far as it is just and reasonable to conclude that—
- (a) they are the same sum of money or asset, or
 - (b) sum or asset P directly, or indirectly, represents sum or asset Q.
- (7) Subsection (8) applies where—
- (a) the earlier tax liability arose by virtue of the application of this Chapter by reason of an earlier relevant step (the “earlier relevant step”), and
 - (b) reductions were made under this section to the value of the earlier relevant step.
- (8) Where this subsection applies, sum or asset P is treated as overlapping with any other sum of money or asset so far as the other sum of money or asset was treated as overlapping with sum or asset Q for the purposes of this section.
- (9) In subsection (1)(b)—
- (a) the reference to A includes a reference to any person linked with A, and
 - (b) the reference to a liability for income tax does not include a reference to a liability for income tax arising by reason of section 175 (benefit of taxable cheap loan treated as earnings).
- (10) In subsection (3) the reference to the value of the relevant step is a reference to that value—

Status: This is the original version (as it was originally enacted). This item of legislation is currently only available in its original format.

- (a) after any reductions made to it under section 554Z4, this section or 554Z7, but
 - (b) before any reductions made to it under section 554Z6 or 554Z8.
- (11) For the purposes of subsection (4)(b)(i) a person is not to be regarded as having paid any tax by reason only of making—
- (a) a payment on account of income tax,
 - (b) a payment that is treated as a payment on account under section 223(3) of FA 2014 (accelerated payments), or
 - (c) a payment pending determination of an appeal made in accordance with section 55 of TMA 1970.”

11 After section 554Z11A insert—

“Double taxation: earlier income tax liability

554Z11B Earlier income tax liability: application of section 554Z11C

- (1) Section 554Z11C applies if the conditions in subsections (2) and (3) are met.
- (2) The first condition is that there is overlap between—
 - (a) the sum of money or asset (“sum or asset P”) which is the subject of the relevant step, and
 - (b) a sum of money or asset (“sum or asset Q”) by reference to which, on an occasion that occurred before the relevant step is taken, A became subject to a liability for income tax (“the earlier tax liability”).
- (3) The second condition is that at the time the relevant step is taken—
 - (a) an amount is payable by a person (the “liable person”) in respect of the earlier tax liability, but the whole or part of that amount is unpaid and not otherwise accounted for, and
 - (b) the liable person has not agreed any terms with an officer of Revenue and Customs for the discharge of the earlier tax liability.
- (4) For the purposes of this section there is overlap between sum or asset P and sum or asset Q so far as it is just and reasonable to conclude that—
 - (a) they are the same sum of money or asset, or
 - (b) sum or asset P directly, or indirectly, represents sum or asset Q.
- (5) In subsection (2)(b)—
 - (a) the reference to A includes a reference to any person linked with A, and
 - (b) the reference to a liability for income tax does not include a reference to a liability for income tax arising by reason of section 175 (benefit of taxable cheap loan treated as earnings).

- (1) In this section—
 - (a) “the earlier charge” means so much of the earlier tax liability as relates to the overlap between sum or asset P and sum or asset Q, and

- (2) The amount of a tax liability that relates to the overlap between sum or asset P and sum or asset Q is to be determined on a just and reasonable basis.
- (3) Subsection (4) applies where, after the relevant step is taken, an amount (the “earlier charge paid amount”) is paid in respect of all or part of—
 - (a) the earlier charge, or
 - (b) any late payment interest in respect of the charge.
- (4) An amount equal to the earlier charge paid amount is treated as a payment on account of—
 - (a) the Chapter 2 overlap charge, or
 - (b) if that charge has been paid in full, any late payment interest payable in respect of the charge.
- (5) Except where subsection (10) applies, subsection (6) applies where an amount (the “Chapter 2 paid amount”) is paid in respect of all or part of—

 - (b) if the earlier charge has been paid in full, any late payment interest payable in respect of the charge.
- (7) Subsection (10) applies where—
 - (a) the condition in 554Z11B(2) is met because there is overlap between sum or asset P and each of two or more items within section 554Z11B(2)(b), and

- (9) For the purposes of subsection (10)—
 - (a) in the case of each of those items, the “earlier charge” in respect of the overlap between sum or asset P and the item is so much of the liability mentioned in section 554Z11B(2)(b) in the case of the item as relates to the overlap, and
 - (b) the Chapter 2 aggregate paid amount is to be allocated, in such proportions as are just and reasonable in all the circumstances, between the earlier charges given by paragraph (a).
- (10) The amount allocated to an earlier charge under subsection (9) is treated as a payment on account of—

Status: This is the original version (as it was originally enacted). This item of legislation is currently only available in its original format.

- (a) the earlier charge to which it is allocated, and
- (b) if the earlier charge has been paid in full, any late payment interest payable in respect of the charge.

 - (b) section 554Z11C(3), (4)(b), (7)(b) and (10)(b).

- (1) This section applies in a case to which section 554Z11C applies (see section 554Z11B(1)).
- (2) If a provisional payment of tax is made in respect of an earlier charge in relation to an overlap, it is to be treated as also being made in respect of the Chapter 2 overlap charge in relation to the overlap.
- (3) If a provisional payment of tax is made in respect of a Chapter 2 overlap charge in relation to an overlap, it is to be treated as also being made in respect of the earlier charge in relation to the overlap.
- (4) If section 554Z11C(10) applies in a case (see section 554Z11C(7)) and a provisional payment of tax is made in respect of two or more relevant Chapter 2 overlap charges—
 - (a) the amount of the provisional payment of tax is to be allocated, in such proportions as are just and reasonable in all the circumstances, between those relevant Chapter 2 overlap charges, and

- (6) The late payment interest mentioned in subsection (5) is treated as having accrued as if the provisional payment of tax had not been made.
- (7) For the purposes of subsection (5), the “relevant period” is the period beginning on the day on which the provisional payment of tax is made and ending with the day on which the repayment is made.

- (3) The reference in section 222 (payments by employer on account of tax where deduction not possible) to the notional payment is to be treated as a reference to that payment reduced by an amount equal to so much of the sum of money or (as the case may be) the value of so much of the asset—

- (b) the Commissioners are satisfied that (at the time of the new supply) the motor vehicle mentioned in Note (5O)(a) or (b) has ceased to be suitable for the disabled person’s use because of changes in the person’s condition.

(5Q) In the case of a relevant supply of a motor vehicle to a disabled person, items 2(f) and 2A cannot apply unless the supplier—

- (a) gives to the Commissioners, before the end of the period of 12 months beginning with the day on which the supply is made, any information and supporting documentary evidence that may be specified in a notice published by them, and
- (b) in doing so complies with any requirements as to method set out in the notice.

- (2) The amount of the penalty is equal to the relevant amount multiplied by the number of days on which the failure continues (up to a maximum of 100 days) or, if it is greater, to a penalty of £50.
- (3) In relation to a failure by a person to comply with the requirement, the amount of the penalty is to be determined by reference to the number of occasions in the period of 2 years preceding the beginning of the failure on which the person has previously failed to comply with that requirement.
- (4) But—
- (a) a continuing failure to comply with a requirement is to be regarded as one occasion of failure occurring on the date on which the failure began;
 - (b) if the same omission gives rise to a failure to comply with more than one such requirement, it is to be regarded as the occasion of only one failure.

Status: This is the original version (as it was originally enacted). This item of legislation is currently only available in its original format.

- (5) The relevant amount is—
- (a) if there has been no previous occasion of failure in the period mentioned in sub-paragraph (3), £5;
 - (b) if there has been only one such occasion in that period, £10; and
 - (c) in any other case, £15.
- (6) A person who fails to comply with a requirement to preserve records imposed by regulations under section 53(1)(b) is liable to a penalty of £500.
- (7) If by reason of conduct falling within sub-paragraph (1) or (6) a person is assessed to a penalty for a deliberate inaccuracy under Schedule 24 to FA 2007, that conduct does not also give rise to a penalty under this paragraph.

Section 53(2): requirements imposed by directions

- 2 (1) A person who fails to comply with a requirement imposed under section 53(2)(a) is liable to a penalty.
- (2) The amount of the penalty is equal to £200 multiplied by the number of days on which the failure continues (up to a maximum of 30 days).
- (3) A person who fails to comply with a requirement imposed under section 53(3)(b) is liable to a penalty of £500.
- (4) If by reason of conduct falling within sub-paragraph (1) or (3) a person is assessed to a penalty for a deliberate inaccuracy under Schedule 24 to FA 2007, that conduct does not also give rise to a penalty under this paragraph.

Power to alter amounts specified in paragraphs 1 and 2

- 3 (1) If it appears to the Treasury that there has been a change in the value of money since the last relevant date, they may by regulations substitute for the sums specified in paragraph 1(2), (5)(a) to (c) and (6) and paragraph 2(2) and (3) such other sums as appear to them to be justified by the change.
- (2) But regulations under sub-paragraph (1) may not apply to a failure which began before the date on which the regulations come into force.
- (3) The “relevant date”, in relation to a specified sum, means—
- (a) the date on which this Act is passed, and
 - (b) each date on which the power conferred by sub-paragraph (1) has been exercised in relation to that sum.

Reasonable excuse

- 4 (1) A failure by any person to comply with any requirement mentioned in paragraph 1 or 2 does not give rise to a liability to a penalty under this Schedule if the person concerned satisfies—
- (a) the Commissioners, or
 - (b) on appeal, a tribunal,
- that there is a reasonable excuse for the failure.

Status: This is the original version (as it was originally enacted). This item of legislation is currently only available in its original format.

- (2) A failure for which there is a reasonable excuse is to be disregarded for the purposes of paragraph 1(5).
- (3) For the purposes of this paragraph, in the case of a person (P)—
- (a) an insufficiency of funds is not a reasonable excuse unless attributable to events outside P's control;
 - (b) where P relies on another person to do anything, that is not a reasonable excuse unless P took reasonable care to avoid the relevant failure;
 - (c) where P had a reasonable excuse for the failure but the excuse has ceased, P is to be treated as having continued to have the excuse if the failure is remedied without unreasonable delay after the excuse ceased.

PART 2

ASSESSMENTS

Power to make assessments

- 5 (1) Where a person becomes liable for a penalty under this Schedule—
- (a) the Commissioners may assess the penalty, and
 - (b) if they do so, they must notify the amount to that person.
- (2) Where a person is liable to a penalty under paragraph 1 for failure to comply with a requirement imposed by regulations under section 48(2) or 53, no assessment of the penalty may be made under this paragraph unless—
