<sup>F5</sup>(3) .....

- (4) Notwithstanding subsection (2) above, no part of the statutory reserve shall count as an undistributable reserve of the successor company for the purposes of [<sup>F6</sup>section 831(4)(d) of the Companies Act 2006] (restriction on distribution of assets); but for the purpose of determining under [<sup>F7</sup>section 831] whether the successor company may make a distribution at any time, any amount for the time being standing to the credit of the statutory reserve (excluding any amount which under subsection (2) above is authorised to be, but has not yet been, applied as if it were profits available for distribution) shall be treated for the purposes of [<sup>F8</sup>section 831(4)(c)] as if it were unrealised profits of the company.
- (5) For the purposes of any statutory accounts of the successor company—
- (a) all the property, rights and liabilities to which the Corporation or Board was entitled or subject immediately before the end of the last financial year of the Corporation or Board ending before the appointed day shall be taken to have been vested in the successor company by virtue of section 1 above, and to have been so vested immediately after the end of that year; and
  - (b) the value or amount (as at the time of vesting) of any asset or liability of the Corporation or Board taken to have been vested in the successor company by virtue of paragraph (a) above shall be taken to be the value or (as the case may be) the amount assigned to that asset or liability for the purposes of the corresponding statement of accounts prepared by the Corporation or Board in respect of the financial year referred to in that paragraph.
- (6) For the purposes of any statutory accounts of the successor company the amount to be included in respect of any item shall be determined as if anything done by the Corporation or Board (whether by way of acquiring, revaluing or disposing of any asset, or incurring, revaluing or discharging any liability, or by carrying any amount to any provision or reserve, or otherwise) had been done by the successor company.
- Accordingly (but without prejudice to the generality of the preceding provision) the amount to be included from time to time in any reserves of the successor company as representing its accumulated realised profits shall be determined as if any profits realised and retained by the Corporation or Board had been realised and retained by the company.

*Payment of dividend by successor company before laying or delivery of accounts*

- 7 (1) Where it is proposed to declare a distribution during the accounting reference period of the successor company which includes the appointed day, or before any accounts are laid or delivered to the registrar of companies in respect of that period, sections 270 to 276 of the <sup>M8</sup>Companies Act 1985 (relevant accounts) shall have effect as if—

- and, if any direction has been given under section 8(2) of this Act which is relevant to the making of that distribution, shall accordingly have effect subject to that direction.
- (2) The accounts referred to in sub-paragraph (1)(a) and (b) above are such accounts as, on the assumptions stated in sub-paragraph (3) below, would have been prepared under Part VII of the <sup>M9</sup>Companies Act 1985 in respect of the relevant year.

- (3) Those assumptions are—
- (a) that the relevant year had been a financial year of the successor company;
  - (b) that the vesting effected by section 1 of this Act had been a vesting of all the property, rights and liabilities to which the Corporation or Board was entitled or subject immediately before the beginning of the relevant year and had been effected immediately after the beginning of that year;
  - (c) that the value of any asset and the amount of any liability of the Corporation or Board vested in the successor company by virtue of that section had been the value or (as the case may be) the amount assigned to that asset or liability for the purposes of the statement of accounts prepared by the Corporation or Board in respect of its financial year immediately preceding the relevant year;
  - (d) that any securities of the successor company issued or allotted before the declaration of the distribution had been issued or allotted before the end of the relevant year; and
  - (e) such other assumptions (if any) as may appear to the directors of the successor company to be necessary or expedient for the purposes of this paragraph.
- (4) For the purposes of such accounts as are mentioned in sub-paragraph (2) above the amount to be included in respect of any item shall be determined as if anything done by the Corporation or Board (whether by way of acquiring, revaluing or disposing of any asset, or incurring, revaluing or discharging any liability, or by carrying any amount to any provision or reserve, or otherwise) had been done by the successor company.
- Accordingly (but without prejudice to the generality of the preceding provision) the amount to be included in any reserves of the successor company as representing its accumulated realised profits shall be determined as if any profits realised and retained by the Corporation or Board had been realised and retained by the company.
- (5) Any such accounts shall not be regarded as statutory accounts for the purposes of section 8 of this Act.
- (6) In this paragraph “the relevant year” means the last financial year of the Corporation or Board ending before the appointed day.
